TERMS AND CONDITIONS

The electronic textbook/product at the CyberText Publishing website can only be accessed by providing a valid user name and password. Your user account is for your use only and is valid for a period of six (6) months only. Sharing the account with other students or users is expressly prohibited and is a direct violation of this agreement. You may print out chapters from the book as necessary for your personal use. Beyond such printing, any other duplication of the materials at the CyberText Publishing website is strictly prohibited and will be subject to legal action under copyright laws. You consent to logging of your access activity at the CyberText website and to the provision of access reports to your instructor. CyberText Publishing reserves the right to terminate your account before six months in the event of a violation of this agreement.

☒ I accept the above terms and conditions.

J.

BILLING INFORMATION

Notes (please read): If the credit card is not in your name (e.g., if it is your parent's credit card), change the name below but do not go back to the first screen to put your parent's name there! For your protection and ours, the address below is verified when the transaction is processed, so please be sure to enter the correct billing address. If the address does not match what is on file with your credit card company, the transaction will not be processed.

Building Blocks Of Accounting: A Managerial Perspective

Friedman

Mark Friedman (Your Instructor)

Select the Excel version and then click on the button below to make your Excel file for the Financial Accounting Excel Practice Set. Please be patient, as the process of making the Excel file can take 10 to 20 seconds.

P.

Version: Select Desired Version..

MAKE EXCEL FILE

Select Desired Version

Make (xls) File

Make (.xlsx) File

Note: On the next screen you will be able to download your Excel file. You can then open it using Microsoft Excel to work on the Financial Accounting Excel practice set.

Click on the button below to upload your 'Building Blocks of Accounting: A Financial Perspective' Excel file after you have worked on the project. The file you should upload is the same one you created by clicking on the 'Make Excel File' button above, except that you should work on the file before uploading it.

UPLOAD EXCEL FILE

Q. Right click on file name, Select “Save Target As...” or “Save Link As...” and Save the File

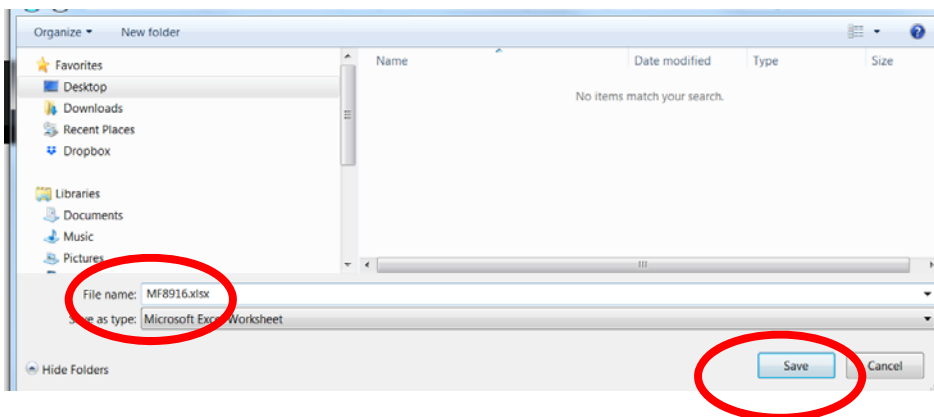

EXCEL FILE CREATED...

Q.

Excel file has now been created!

MF8916.xlsx--> Right-click on this file name and choose "Save Target As" (or "Save link as") to download your Excel file.

After you download the file, you can open it using Microsoft Excel to work on the Building Blocks of Accounting: A Financial Perspective practice set.

ALL THE SHEETS ARE PROTECTED

- R. Enable Editing
- S. Read the Introduction Sheet
- T. Review the information on the FAQ sheet, sheet 1 and sheet 2

R.

PROTECTED VIEW Be careful—files from the Internet can contain viruses. Unless you need to edit, it's safer to stay in Protected View. Enable Editing

I SEE THE LIGHT

Mark, when you are ready to have your work graded you will upload this file **MF8916.xls**, or **MF8916.xlsx**, to the same screen that the project was downloaded from:

www.cybertext.com, The Book List,
Building Blocks of Accounting--A
Managerial Perspective, Enter
password, Upload Your Excel File.

U. All the sheets are protected.

It is January 1 of 20x2. We have just ended year 20x1 and are preparing for year 20x2.

Using the information provided on sheets 1-3, complete the forms on sheet 4. Using the bordered cells calculate the values in the yellow filled cells. Only the yellow filled cells will be graded.

4				
5				
10				
11				
12				
13	<u>Variable Manufacturing Unit Cost</u>			
14		20x1 Cost	Projected Percent Increase	20x2 Cost Rounded to 2 Decimal Places
19	Lamp Kit			
20	Labor			
21	Variable Overhead			
22				
23	Projected Variable Manufacturing Cost Per Unit			
28				

	What is the difference between rounding a number and rounding up a number?			
	B	C	D	E
1				Cost of a Taxi
2				Number of Passengers
3				
4				Cost per Passenger
5				Without rounding
6				Rounding to two decimals
7				Roundup to two decimals

TO UPLOAD

Save your project using the same name that it had when downloaded.
